

## MAINTENANCE-FREE ARTIFICIAL LAWNS

### THE AGE OF ARTIFICIAL LAWNS IS HERE!

The latest generation of artificial lawns look great and appear so natural that it is difficult to tell at a glance whether they are real or not!

Could one of the following apply to you?

- ✓ you want an attractive, maintenance-free garden
- ✓ you don't enjoy grass-cutting
- ✓ you lead a busy life that doesn't allow time for gardening
- ✓ you can't quite manage to maintain a lawn the way you used to
- ✓ you want to keep your children, grandchildren or pets safe and clean
- ✓ your dog has ruined the grass
- ✓ you just can't grow or maintain a decent lawn due to local ground conditions, drainage or trees
- ✓ your hay fever or other allergy is affected by grass or grass clippings
- ✓ you haven't decided what to do with the garden of your new house yet?
- ✓ you simply hate gardening!

If the answer to one or more of the above is 'yes', then a cost-effective, attractive artificial lawn may well be the answer. You can use artificial grass as a durable lawn, roof garden, decking cover, play area, pathway, dog run, safety surface or for a multi-sports facility. Ask us today for a free estimate.
